

“National Transport Hackathon 2026” hakatonida ishtirok etish qoidalari

1. UMUMIY QOIDALAR

- 1.1. Mazkur Reglament «National Transport Hackathon 2026» hakatonini (keyingi o'rinlarda — «Hakaton») o'tkazish tartibini belgilaydi.
- 1.2. Hakaton g'olib va sovrindorlarni aniqlash, shuningdek transport sohasi uchun amaliy raqamli yechimlarni ishlab chiqish va ularni davlat tizimlariga joriy etish maqsadida o'tkaziladi. Hakaton doirasida yaratilgan yechimlarga bo'lgan intellektual mulk huquqlari tadbir tashkilotchilarida qoladi.
- 1.3. Hakatonni moliyalashtirish Musobaqaning Rasmiy hamkori hisobidan amalga oshiriladi.

2. TASHKILOTCHILAR

- 2.1. Turnir tashkilotchisi — «O'zbekiston Respublikasi Transport vazirligi», «Yandex Uzbekistan» ko'magida.
- 2.2. Turnirni tayyorlash va o'tkazishga bevosita rahbarlik Tashkilotchi tomonidan tuziladigan Tashkiliy qo'mita (keyingi o'rinlarda — «Tashkiliy qo'mita») tomonidan amalga oshiriladi.
- 2.3. Turnirni o'tkazishda o'yin qoidalariga rioya etilishini Tashkilotchi shakllantiradigan hakamlar qo'mitasi (keyingi o'rinlarda — «Hakamlar qo'mitasi») ta'minlaydi.

3. TURNIRDA ISHTIROK ETISH

- 3.1. 3 nafardan 5 nafargacha a'zodan iborat jamoa tuzgan, Hakatonning rasmiy saytida ro'yxatdan o'tgan, Hakaton Tashkiliy qo'mitasi tomonidan tasdiqlangan va Hakaton o'tkaziladigan joyga yetib kelgan shaxslar ishtirokchi deb e'tirof etiladi.
- 3.2. Ishtirokchi faqat bitta jamoa tarkibida qatnashishi mumkin.
- 3.3. Hakaton boshlanadigan paytda ishtirokchi kamida 18 yoshda bo'lishi kerak.
- 3.4. Ishtirok etishga faqat O'zbekiston Respublikasi fuqarolari qo'yiladi.
- 3.5. Har bir ishtirokchi Turnir tashkilotchilari va boshqa ishtirokchilarga hurmat bilan munosabatda bo'lishi shart.
- 3.6. Tashkilotchi ishtirokchilar va jamoalarni saralashda IT va transport sohasidagi yosh mutaxassislarga ustuvorlik beradi.
- 3.7. Har bir jamoada kamida 1 nafar transport mutaxassisi bo'lishi shart: transport yo'nalishida oliy ma'lumotga ega yoki shu yo'nalishda tahsil olayotgan yoxud transport sohasida kamida 3 yillik ish tajribasiga ega shaxs. Transport mutaxassisi bo'lmagan jamoalar ishtirok etishga qo'yilmaydi.
- 3.8. Tashkilotchi quyidagi hollarda jamoa nomi sababli ishtirokchilarni Hakatonga qo'ymaslik huquqini o'zida saqlab qoladi:
 - 3.8.1. Nom uchinchi shaxsning mualliflik huquqi bilan himoyalangan bo'lsa (ishtirokchilarda ushbu nom va/yoki taxallusdan foydalanishga ruxsat beruvchi litsenziya yoki boshqa yuridik hujjatlar mavjud bo'lgan holatlar bundan mustasno);
 - 3.8.2. Nom Hakatondagi boshqa jamoalar nomlariga o'xshash yoki ular bilan bir xil bo'lsa;
 - 3.8.3. Nom Hakaton rasmiy shaxslarining nomlariga o'xshash yoki ular bilan bir xil bo'lsa;

3.8.4. Nom odobsiz, nomaqbul yoki haqoratli ma'noga ega bo'lsa.

3.9. Hakaton davomida ishtirokchilarga o'z ekranini begona shaxslarga namoyish etish taqiqlanadi.

3.10. Ishtirokchilar halol raqobat tamoyillariga rioya etishlari shart:

- Cheating — taqiqlangan vositalardan foydalanish, fayllarni almashtirish, natijalarni soxtalashtirish yoki Hakaton qoidalarini buzuvchi boshqa harakatlar orqali nohalol ustunlikka ega bo'lish.
- Smurfing — loyihaning to'liq yoki qisman jamoaning ro'yxatdan o'tgan ishtirokchisi bo'lmagan shaxs tomonidan bajarilishi, jumladan kod yozish, dizayn ishlab chiqish, materiallar tayyorlash va boshqa turdagi yordam ko'rsatish.
- Multi Accounts — ustunlikka ega bo'lish, cheklovlarini chetlab o'tish yoki Hakaton qoidalarini buzish maqsadida bir shaxsning ikki yoki undan ortiq jamoada ro'yxatdan o'tishi yoki qatnashishi.

4. TEXNOLOGIK STEK VA VOSITALAR

4.1. Hakatonning maqsadi transport sohasi uchun keyinchalik davlat axborot tizimlariga joriy etish salohiyatiga ega amaliy raqamli yechimlarni ishlab chiqishdan iborat.

4.2. Hakatonda ishtirok etish uchun shaxsiy kompyuterlar va noutbuklardan foydalanishga ruxsat etiladi.

4.3. Ishtirokchilarga o'z yechimlarini ishlab chiqishda sun'iy intellekt vositalaridan foydalanishga ruxsat etiladi. Bunda jamoa taklif etilgan yechimning ishlash tamoyilini tushunishi va loyihani himoya qilish vaqtida arxitektura hamda texnik yechimlarni mustaqil asoslab berishga tayyor bo'lishi kerak.

4.4. Loyihalarni veb-ilovalar, mobil ilovalar, desktop yechimlar, Telegram-botlar yoki boshqa raqamli xizmatlar shaklida ishlab chiqishga ruxsat etiladi.

4.5. Agar alohida keyslar shartlarida boshqacha qoida nazarda tutilmagan bo'lsa, loyihalarni ishlab chiqishda istalgan dasturlash tillari, freymvorklar, kutubxonalar va texnologiyalardan foydalanishga ruxsat etiladi.

5. O'TKAZISH TARTIBI

5.1. Musobaqa o'tkaziladigan sana: 6–8-avgust.

5.2. G'oyalar va loyihalarni ishlab chiqish bosqichi: 6–7-avgust.

5.3. Loyihalarni himoya qilish (Pitch) sanasi: 8-avgust.

5.4. Yakunlarni sarhisob qilish va g'oliblarni taqdirlash sanasi: 8-avgust.

5.5. Loyihalar hakamlar hay'ati tomonidan amaliy qo'llash imkoniyati, texnik sifat, innovatsionlik, taqdim etilgan ma'lumotlardan foydalanish samaradorligi va taqdimot sifati mezonlari bo'yicha baholanadi.

5.6. Barcha jamoalar Hakaton boshlangani rasman e'lon qilingandan so'ng loyihalar ustida ishlashni bir vaqtda boshlaydi.

5.7. Hakaton davomida ishtirokchilar jamoa ichidagi ishni mustaqil tashkil etadi va vazifalarni jamoa a'zolari o'rtasida taqsimlaydi.

- 5.8. Hakaton davomida ishtirokchilar maslahat va tavsiyalar olish uchun mentorlarga murojaat qilishlari mumkin.
- 5.9. Mentorlar jamoa o'rniga kod yozish, dizayn yaratish, loyihaning alohida qismlarini ishlab chiqish yoki yechimni yaratishda boshqa tarzda bevosita ishtirok etish huquqiga ega emas.
- 5.10. Ishlab chiqishning ikkinchi kuni oxirida Idea Freeze bosqichi o'tkaziladi — ushbu bosqich boshlanishidan oldin har bir jamoa o'z loyihasining qisqacha tavsifini qayd etishi shart.
- 5.11. Idea Freeze e'lon qilingandan so'ng loyihaning asosiy konsepsiyasi, maqsadli vazifasi yoki taklif etilayotgan yechimini o'zgartirishga yo'l qo'yilmaydi.
- 5.12. Agar yakuniy loyiha Idea Freeze bosqichida qayd etilgan g'oyadan sezilarli darajada farq qilsa, Tashkilotchi loyihani himoyaga qo'ymaslik yoki hakamlar hay'ati bilan kelishgan holda yakuniy bahoni pasaytirish huquqiga ega.
- 5.13. Loyihalar himoyasi Hakatonning uchinchi kuni o'tkaziladi.
- 5.14. Har bir jamoaga o'z yechimini taqdim etish uchun 3 daqiqagacha vaqt beriladi.
- 5.15. Taqdimotdan so'ng hakamlar hay'ati jamoaga aniqlashtiruvchi savollar berishi mumkin.
- 5.16. Har bir loyiha hakamlar hay'ati a'zolari tomonidan quyidagi mezonlar bo'yicha besh ballik shkala asosida baholanadi:
- yechimning amaliy qo'llash imkoniyati;
 - amalga oshirishning texnik sifati;
 - innovatsionlik;
 - taqdim etilgan ma'lumotlardan foydalanish samaradorligi;
 - loyiha taqdimotining sifati.
- 5.17. Jamoaning yakuniy bali hakamlar hay'ati a'zolari bergan baholar asosida shakllantiriladi.
- 5.18. Mazkur Qoidalar buzilgani aniqlangan taqdirda, Tashkilotchi loyihani baholasdan chiqarish, yakuniy ballni pasaytirish yoki jamoani diskvalifikatsiya qilish huquqini o'zida saqlab qoladi.

6. MUSOBAQADAGI TEXNIK MUAMMOLAR

- 6.1. Texnik nosozliklar yuzaga kelgan taqdirda (internet yoki platformalarga kirish bilan bog'liq muammolar, taqdim etilgan ma'lumotlarga kirish xatosi yoki boshqa texnik qiyinchiliklar), jamoa bu haqda darhol mentorga yoki Tashkiliy qo'mita vakiliga xabar berishi shart.
- 6.2. Muammoni qayd etish uchun ishtirokchilarga, imkon qadar, fotosurat, skrinshot, videoyozuv yoki boshqa tasdiqlovchi materialni taqdim etish tavsiya etiladi.
- 6.3. Tashkilotchi har bir vaziyatni alohida ko'rib chiqadi va zarur choralar to'g'risida qaror qabul qiladi, jumladan texnik muammo jamoaning aybi bilan yuzaga kelmagan bo'lsa, topshiriqni bajarish uchun qo'shimcha vaqt ajratishi mumkin.
- 6.4. Keys, ma'lumotlar yoki Hakatonni o'tkazish qoidalari bo'yicha savollar tug'ilgan taqdirda, ishtirokchilar mentorlarga murojaat qilishlari kerak.
- 6.5. Barcha nizoli vaziyatlar Tashkilotchi tomonidan ko'rib chiqiladi. Tashkilotchining qarori yakuniy hisoblanadi.

6.6. Tadbirni o'tkazishga to'sqinlik qiluvchi texnik holatlar yuzaga kelgan taqdirda, Tashkilotchi Hakaton ishini to'xtatib turish, jadvalni o'zgartirish yoki boshqa o'zgartirishlar kiritish huquqini o'zida saqlab qoladi.

7. YAKUNLARNI ANIQLASH SHARTLARI VA SOVRIN JAMG'ARMASI

7.1. Har bir tanlov yo'nalishida hakamlar hay'ati baholashi natijasiga ko'ra eng ko'p ball to'plagan jamoalar National Transport Hackathon 2026 g'oliblari deb e'tirof etiladi. Loyihalar mazkur Qoidalarda ko'rsatilgan mezonlarga muvofiq baholanadi.

7.2. National Transport Hackathon 2026 umumiy sovrin jamg'armasi 320 000 000 (uch yuz yigirma million) so'mni tashkil etadi.

7.3. Uchta tanlov yo'nalishining har birida quyidagi sovrinli o'rinlar belgilanadi:

- 1-o'rin: har bir jamoaga 50 000 000 so'm.
- 2-o'rin: har bir jamoaga 25 000 000 so'm.
- 3-o'rin: har bir jamoaga 15 000 000 so'm.

7.4. Hakamlar hay'ati qaroriga ko'ra quyidagi maxsus mukofotlar ham beriladi:

- Inklyuziv mobillik uchun eng yaxshi yechim — 10 000 000 so'm;
- Hududiy mobillik uchun eng yaxshi yechim — 10 000 000 so'm;
- Ma'lumotlar tahlili sohasidagi eng yaxshi yechim — 10 000 000 so'm;
- Eng yaxshi AI-yechim — 10 000 000 so'm;
- Eng yaxshi talabalar jamoasi — 10 000 000 so'm.

7.5. Sovrin jamg'armasi O'zbekiston Respublikasining amaldagi qonunchiligi va Tashkilotchining ichki tartib-taomillariga muvofiq to'lanadi.

7.6. Sovrinlar to'lanishini kutishning eng ko'p muddati musobaqa yakunlangan paytdan boshlab 90 kungacha.

8. YAKUNIY QOIDALAR

7.7. Hakaton yakunlari Tashkilotchi tomonidan tasdiqlanganidan so'ng ularni har qanday sababga ko'ra qayta ko'rib chiqishga yo'l qo'yilmaydi.

7.8. Mazkur Reglament bilan tartibga solinmagan boshqa masalalar Tashkilotchi tomonidan mustaqil ravishda hal etiladi. Bunday qarorlar Hakatonning barcha ishtirokchilari uchun majburiy bo'lib, ular ustidan shikoyat qilish mumkin emas.

7.9. Tashkilotchi Hakatonning mazkur Reglamentiga istalgan vaqtda o'zgartirish va qo'shimchalar kiritish huquqini o'zida saqlab qoladi.

Participation Rules for “National Transport Hackathon 2026”

1. GENERAL PROVISIONS

1.1. These Regulations establish the procedure for holding the National Transport Hackathon 2026 (hereinafter referred to as the "Hackathon").

1.2. The Hackathon is held to determine the winner and prize winners and to develop applied digital solutions for the transport sector and introduce them into government systems. Intellectual property rights to the solutions created as part of the Hackathon shall remain with the event organizers.

1.3. The Hackathon shall be financed by the Official Partner of the competition.

2. ORGANIZERS

2.1. The Tournament is organized by the Ministry of Transport of the Republic of Uzbekistan with the support of Yandex Uzbekistan.

2.2. The preparation and conduct of the Tournament shall be directly managed by the Organizing Committee (hereinafter referred to as the "Organizing Committee"), formed by the Organizer.

2.3. Compliance with the rules of play during the Tournament shall be ensured by the Judging Committee (hereinafter referred to as the "Judging Committee"), formed by the Organizer.

3. PARTICIPATION IN THE TOURNAMENT

3.1. Participants are persons who have formed a team of 3 to 5 members, registered on the official Hackathon website, been approved by the Hackathon Organizing Committee, and arrived at the Hackathon venue.

3.2. A Participant may compete for only one team.

3.3. A Participant must be at least 18 years old when the Hackathon begins.

3.4. Only citizens of the Republic of Uzbekistan are eligible to participate.

3.5. Each Participant must treat the Tournament Organizers and other Participants with respect.

3.6. When selecting Participants and teams, the Organizer shall give priority to early-career specialists in IT and transport.

3.7. Each team must include at least one Transport Specialist: a person who has or is pursuing a higher education qualification in transport, or who has at least three years of work experience in the transport sector. Teams without a Transport Specialist shall not be admitted.

3.8. The Organizer reserves the right to refuse admission to the Hackathon if a team name:

3.8.1. Is protected by a third party's copyright (unless the Participants hold licenses or other legal documents permitting the use of that name and/or nickname);

3.8.2. Is similar or identical to the names of other Hackathon teams;

3.8.3. Is similar or identical to the names of Hackathon officials;

3.8.4. Has obscene, indecent, or offensive meaning.

3.9. During the Hackathon, Participants are prohibited from sharing or streaming their screens to unauthorized persons.

3.10. Participants must observe the principles of fair competition:

- Cheating — gaining an unfair advantage by using prohibited tools, substituting files, falsifying results, or taking other actions that violate the Hackathon rules.
- Smurfing — having a project completed in whole or in part by a person who is not a registered team member, including writing code, developing designs, preparing materials, or providing other forms of assistance.
- Multi Accounts — registration or participation by one person in two or more teams in order to gain an advantage, circumvent restrictions, or violate the Hackathon rules.

4. TECHNOLOGY STACK AND TOOLS

4.1. The purpose of the Hackathon is to develop applied digital solutions for the transport sector with the potential for subsequent implementation in government information systems.

4.2. Personal computers and laptops may be used to participate in the Hackathon.

4.3. Participants may use artificial intelligence tools when developing their solutions. However, the team must understand how the proposed solution works and be prepared to independently justify its architectural and technical decisions during the project defense.

4.4. Projects may be developed as web applications, mobile applications, desktop solutions, Telegram bots, or other digital services.

4.5. Any programming languages, frameworks, libraries, and technologies may be used in project development unless otherwise stipulated by the conditions of an individual challenge.

5. EVENT STRUCTURE

5.1. Competition dates: August 6–8.

5.2. Idea and project development stage: August 6–7.

5.3. Project defense (Pitch): August 8.

5.4. Announcement of results and awards ceremony: August 8.

5.5. Projects shall be evaluated by the jury based on practical applicability, technical quality, innovation, effective use of the provided data, and presentation quality.

5.6. All teams shall begin working on their projects simultaneously following the official announcement that the Hackathon has started.

5.7. Throughout the Hackathon, Participants shall independently organize work within their team and allocate tasks among team members.

5.8. During the Hackathon, Participants may seek advice and recommendations from mentors.

5.9. Mentors may not write code, create designs, develop individual parts of a project, or otherwise participate directly in creating a solution on behalf of a team.

5.10. An Idea Freeze stage shall take place at the end of the second development day. Before this stage begins, each team must record a brief description of its project.

5.11. After the Idea Freeze is announced, changes to the project's core concept, target objective, or proposed solution are not permitted.

5.12. If the final project differs substantially from the idea recorded at the Idea Freeze stage, the Organizer may refuse to admit the project to the defense or, in agreement with the jury, reduce its final score.

5.13. Project defenses shall be held on the third day of the Hackathon.

5.14. Each team shall be given up to three minutes to present its solution.

5.15. After the presentation, the jury may ask the team clarifying questions.

5.16. Each project shall be evaluated by the jury members on a five-point scale using the following criteria:

- practical applicability of the solution;
- technical quality of implementation;
- innovation;
- effective use of the provided data;
- quality of the project presentation.

5.17. A team's final score shall be based on the scores awarded by the jury members.

5.18. If a violation of these Rules is identified, the Organizer reserves the right to remove the project from evaluation, reduce its final score, or disqualify the team.

6. TECHNICAL ISSUES DURING THE EVENT

6.1. In the event of technical issues (problems accessing the internet or platforms, errors accessing the provided data, or other technical difficulties), the team must immediately notify a mentor or a representative of the Organizing Committee.

6.2. To document the issue, Participants are advised to provide a photograph, screenshot, video recording, or other evidence where possible.

6.3. The Organizer shall review each situation individually and decide on the necessary measures, including granting additional time to complete the task if the technical issue was not caused by the team.

6.4. Participants must also contact mentors with any questions concerning a challenge, the data, or the Hackathon rules.

6.5. All disputes shall be reviewed by the Organizer. The Organizer's decision shall be final.

6.6. The Organizer reserves the right to suspend the Hackathon, adjust the schedule, or make other changes if technical circumstances prevent the event from proceeding.

7. DETERMINATION OF RESULTS AND PRIZE FUND

7.1. In each competition track, the teams receiving the highest total jury scores shall be declared the winners of National Transport Hackathon 2026. Projects shall be evaluated in accordance with the criteria set out in these Rules.

7.2. The total prize fund of National Transport Hackathon 2026 is UZS 320,000,000 (three hundred and twenty million Uzbek soums).

7.3. The following prizes shall be awarded in each of the three competition tracks:

- 1st place: UZS 50,000,000 per team.
- 2nd place: UZS 25,000,000 per team.
- 3rd place: UZS 15,000,000 per team.

7.4. The following special awards may also be granted by decision of the jury:

- Best Inclusive Mobility Solution — UZS 10,000,000;
- Best Regional Mobility Solution — UZS 10,000,000;
- Best Data Analytics Solution — UZS 10,000,000;
- Best AI Solution — UZS 10,000,000;
- Best Student Team — UZS 10,000,000.

7.5. The prize fund shall be paid in accordance with the applicable laws of the Republic of Uzbekistan and the Organizer's internal procedures.

7.6. The maximum waiting period for payment of prizes is 90 days from the end of the competition.

8. FINAL PROVISIONS

7.7. The Hackathon results may not be reconsidered for any reason after they have been approved by the Organizer.

7.8. Any matters not governed by these Regulations shall be resolved by the Organizer at its sole discretion. Such decisions shall be binding on all Hackathon Participants and shall not be subject to appeal.

7.9. The Organizer reserves the right to amend or supplement these Hackathon Regulations at any time.
